

# CPSC's Carbon Monoxide Grant Program

---

*Michaela Campbell, Congressional Fire Services Institute*

*\*\* FOA has not been released yet so all information is preliminary*

# History of the Grant Program

---

- Established by the Nicholas and Zachary Burt Memorial Carbon Monoxide Poisoning Prevention Act
- Longtime advocacy effort by many fire and emergency services organizations
- Received **\$2M** in funding from FY23 appropriations

# Award Timeline

---

- Possible in early Fall 2023 (maybe August or September, with a possible award timeline in November/December).
- Funding opportunity announcement (FOA), will be posted on [www.grants.gov](http://www.grants.gov).
- CPSC will publicize this via press releases, its website, and social media.

# Requirements

---

- Eligibility
- Carbon monoxide alarm mandate in dwelling units
- Other considerations
- Cost share

# Use of Grant Funds

---

1. Purchase and install compliant carbon monoxide alarms
1. Training materials and instructions
1. Public education activities
