

# Introducing the Science & Technology Work Group (SciTech)

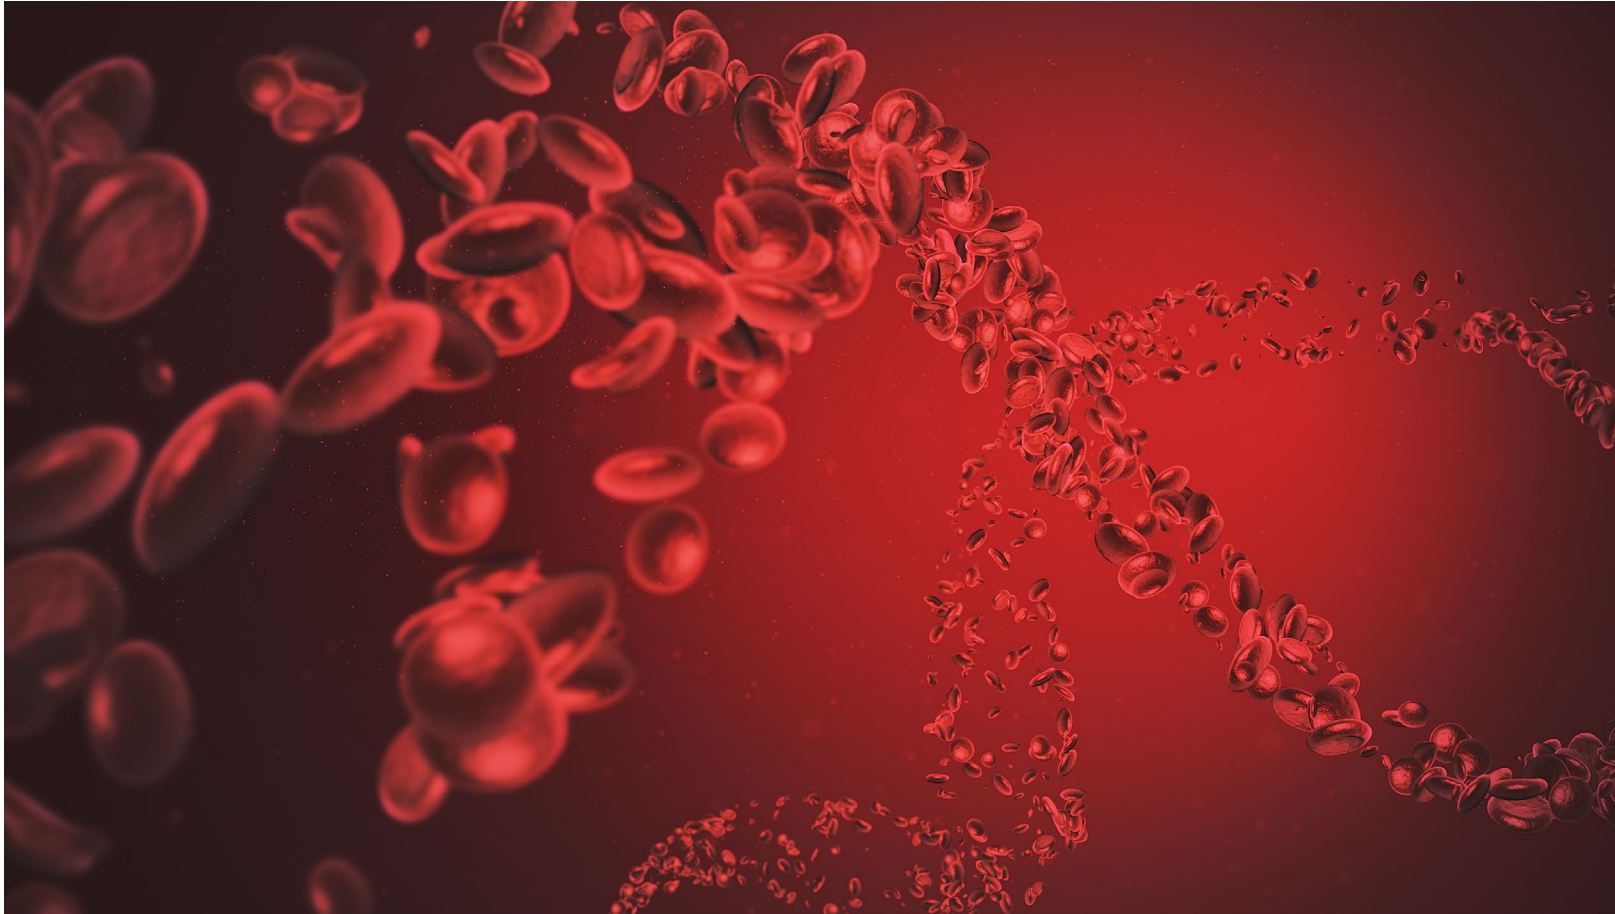

---

*Louise Laing, Crowcon Detection Instruments*

*Adrian McConnell, CO Research Trust*

# Introduction to SciTech

---

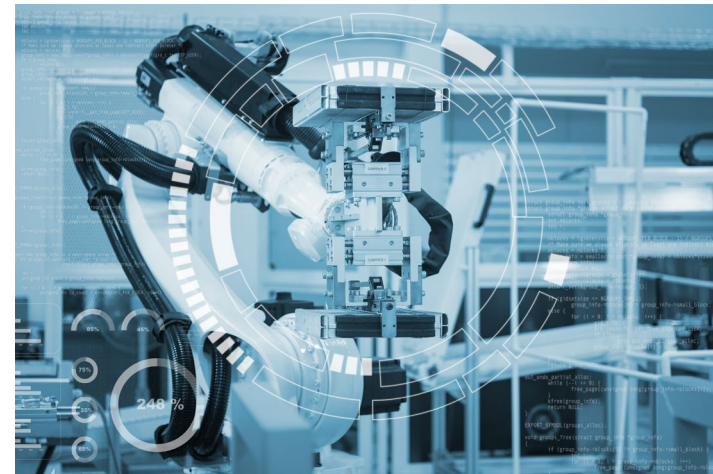

# Initial Aims

---

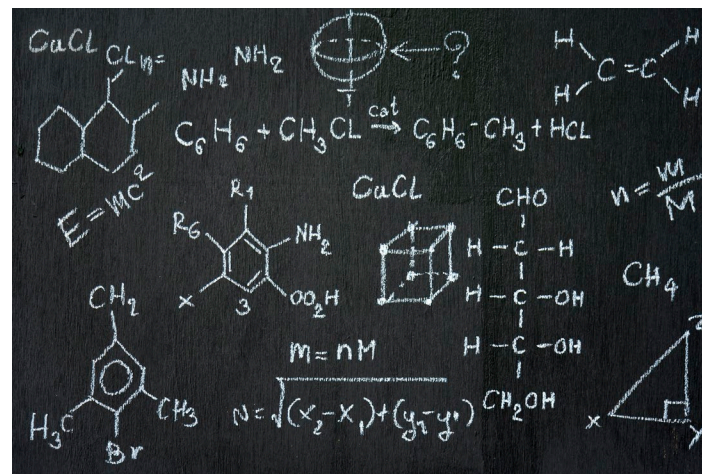

- **Assess**
- Coordinate with CORT to support their ongoing research projects
- Explore Vulnerable Groups and New Technologies
- **Analyze**
- Publish in scientific journals (e.g., AJPH)

- **Implement**
- Partner with Data Surveillance Work Group on U.S. prevalence study

# SciTech Calendar

- Work Group Meetings
  - October
  - January
  - April
  - July
  - Educational Lectures
  - December
  - March
- SciTech Workshop
  - April
  - NCOAA CO Summit 2024

# Join Us!

SciTech Working Group Roundtable

Wednesday 2 August

10.15am – 11.35am

# Thank You

Louise Laing, Crowcon Detection Instruments

Adrian McConnell, CO Research Trust
