

Science and Technology Work Group Update

Louise Laing & Adrian McConnell

Update

Medical and Healthcare Advisory Group

- Established to support and advise the work of the NCOAA CO Coalition working groups.
- Membership made up of medics and healthcare professionals, by invitation.
- Work in partnership with the CO Research Trust, and the UK's COMED group.
- To be convened in the autumn, to agree terms of reference and work plan.

Update from the Sheffield Hallam CO Research Group

Low-level CO and disease development
